

Let's keep the gateway to the City of Lawrence clean!

Show your opposition to the proposed **GARBAGE TRANSFER STATION**, (proposed location: 10000 East 56th street, Waste Management of Indiana)

Please attend the public hearing Tuesday, Jan. 31st.

The hearing is at the Lawrence Government Center (public assembly room)
9001 E. 59th Street, (corner of 56th and Pendleton Pike)

With this proposal:

- property values will go down
- traffic on 56th street will be more congested & visitors offended
- investment in Lawrence's new downtown jeopardized
- nearby wetlands also in jeopardy

Let's not clog 56th street with garbage trucks & semi's

The proposed Garbage Transfer Station includes:

- 120 garbage trucks unloading garbage - **24 hours a day!**
- transferring garbage into semi's from 5:00 am to 5:00 pm (garbage not transferred by 5:00 pm will remain overnight)
- **INDUSTRIAL, COMMERCIAL & RESIDENTIAL GARBAGE** (all trucked into Lawrence from outside the city and then out again)

If you can't attend the hearing, please write to:
